Estates of Deceased Persons and Alpha Files
November 2009 Microfiche Release**

On October 21, 2009, the Unclaimed Property Division (UPD) updated the County Estates of Deceased Persons and Alpha files on microfiche. The microfiche will be available for purchase beginning at 8:00 a.m. on Friday, November 20, 2009, at the UPD offices located at 10600 White Rock Road, Rancho Cordova, CA 95670.

Additionally, the seven-disk CD-ROM set updated on April 22, 2009, that contains abandoned property account information is still available for purchase. The UPD anticipates that the abandoned property account information will again be updated February 2010. At that time, the CD-ROM set will be replaced with a DVD set due to the increasing number of properties, and the capability of DVDs to hold significantly more data.

If you prefer, you may send in the attached form with your order selection, along with a money order, cashier's check, or regular check made payable to the California State Controller.

Questions regarding the purchase of this release should be directed to Jai Thongpet at (916) 464-2714 or via email at: jthongpet@sco.ca.gov. All other inquiries related to Investigator claims should be directed to the Investigator Unit by e-mail at: UPDinvestigators@sco.ca.gov.
